

## **Death Toll Under the Forth Horseman of the Apocalypse (REV76)**

“And when He broke the fourth seal, I heard the voice of the fourth living creature saying, “Come.” And I looked, and behold, an ashen horse; and he who sat on it had the name Death; and Hades was following with him. And authority was given to them over a fourth of the earth, to kill with sword and with famine and with pestilence and by the wild beasts of the earth.”

### **Revelation 6:7-8**

Working Population Number (as of 2003, when this complied) was  
**6,300,000,000**

So, if the Fourth Seal broke using 2003 population statistics,  
**1,575,000,000** would die.

How many people is 1.575 billion?
